Vidalia Onions	Light Green							Dark Green			Light Green	Light Green
Walnuts		Light Green	Light Green							Light Green	Light Green	
Watermelon			Brown	Light Blue	Light Blue	Dark Green						

It starts with the soil and the seed. Each season, water, sun, and time turn the bare dirt into a celebration of food and life. Developed by Georgia farmers, this planting guide is a reliable reference for backyard gardeners and farmers alike to know when to plant seeds and transplants in the ground or in the greenhouse.

direct seeding		transplant		transplant & root cuttings	
seeding in greenhouse		root cuttings		seeding in greenhouse & transplant	
season extension		seeding & transplant		seeding, transplant & root cuttings
