Supplies:
1. Dried legumes of varying colors and sizes (lentils, peas, and beans)
2. Glue
3. Pencils
4. Paintbrushes
5. Cardboard backing

Directions:
1. Draw a simple shape or design on the cardboard with the pencil.
2. Paint a small section of glue to begin the design.
3. Place the dried legumes on the section of glue.
4. Repeat steps two and three for the entirety of the picture.
5. Let the design dry upon completion.
