

**Make Room for
LEGUMES**

October Farm to School Month | #MakeRoomforLegumes

Thank you for signing up for October Farm to School Month. This year's campaign, *Make Room for Legumes*, is a state-wide effort to get kids across Georgia eating, growing, and participating in legume-themed activities throughout October.

Plan your classroom or school's activities by using these resources and the electronic resource toolkit link you received via email.

Post photos on social media during October with #MakeRoomforLegumes and be automatically entered to win a weekly prize or our grand prize of a two day Georgia Organics Conference Pass (valued at \$325).

Contact Abbie King at abbie@georgiaorganics.org if you have any questions.

Happy planting!
